tripwolf is a social travel guide and trip planner for you and your friends. It shows you not only how a destination will feel, look and sound like but also introduce you to a community that knows and recommends them. It offers advice and recommendations by locals and experienced travellers to make your travel experience all the more memorable. In addition, you will get highly personalized travel recommendations from friends, peers and likeminded travellers.

Using our intuitive interface, you can easily create new locations yourself, upload and edit content. Then share your favorite places around the world with your friends. On the whole, tripwolf is not just a tool to plan & document your trips, places, and experiences - it is a travel community that is hungry for travel! You can give back to the community by becoming a location expert yourself.

tripwolf was launched internationally by European-based IT and telecom incubator, i5invest.
